Nationality British

I'm a confident, reliable and engaging person who is currently seeking employment with a motivated studio committed to helping fully utilising my existing abilities. I possess excellent communication skills with the proven ability to work well under tight deadlines. I am passionate in approach and always striving to deliver the highest standards of service in any task undertaken with enthusiasm. Self-motivated and willing to take part in any additional training to enhance my current skills set and abilities.

## Motivation

To demonstrate my expertise creating stunning design, CG, VFX and Motion Graphic visuals work for a large client base. To work in an environment that allows me to grow and develop within the creative industries.

---
